Edco - English School Dictionary

Edco Focloir – Irish/English Dictionary

C & D can be purchased either through the school or directly from the retailers. By purchasing through the school the total cost of C & D will be more cost effective for you, as the school will receive discounts for buying bulk. This discount will not be available to you if you purchase directly from the retailer yourself.

E must be purchased by you from a Bookshop as the school is unable to purchase Dictionaries at a discounted rate.

**The Total Cost for A, B, C& D is €100 if you purchase through the school. We highly recommend that you take part in this book scheme as it is the most cost effective.**

You will receive a text in June with a code that will give you access to our e-payment page. You can log in and pay online or you may also pay in cash or by cheque in the school office. You will be issued with a receipt by text or by paper.
